

TO WHOM IT MAY CONCERN

Mr. **Herman Quartus Edeling** has been working with the South African Medico–Legal Association (SAML A) for some time now. He is currently the sole director of **AZLYN CREATIVE** which renders a variety of different services to individuals and companies such as SAML A. Such services include *inter alia* bookkeeping and accountancy, managing investment portfolios, public relations and organising conferences, seminars and meetings for his clients. He is well able to deal with company and various commercial matters.

I have come to know and work with Mr. Edeling since November 2014 to date in my capacity as former Chairperson of SAML A. Currently I hold the position of Non Executive President of SAML A. During the past 5 years I have been fortunate enough to get to know Mr. Edeling and his family relations very well.

I can positively testify to his impeccable honesty and integrity. He has shown these credentials on many occasions during his service to SAML A, even to the point where he was willing to suffer losses for the sake of SAML A’s well-being. He is definitely a person willing to walk the second mile for the sake of his clients. His superior intellect and ability to come up with solutions were demonstrated to me on many occasions. He is, in fact, a problem solver.

Personality wise, he is of a very pleasant disposition. He has the necessary people skills to relate to co-workers, whether they may be difficult individuals or not. He has a good sense of humour and has a hearty laugh when the situation calls for such. He demonstrates a genuine concern for the interests of his client and shows a remarkable capacity for sincere loyalty.

I have no hesitation in recommending him for any employment within the field of his expertise.
